REALTEST.ORG PDF MERGE & SPLIT BENCHMARK V1.0

SECTION 1: MULTI-DOCUMENT MERGE & STREAM INTEGRITY AUDIT

True PDF merging must concatenate multiple multi-page documents in exact sequence without rasterizing selectable vector text, dropping interior pages, or injecting unsolicited promotional watermarks.

Sequence Token [Page 1 of 3]: REALTEST-PDFMERGE-DOC1-P1-2026

SECTION 2: DOCUMENT A FINANCIAL SUMMARY TABLE

Document Period	Verified Amount	Merge Checksum
DOC-A-Q1	$128,450.00	MERGE-OK-01
DOC-A-Q2	$256,900.50	MERGE-OK-02

SECTION 3: DOCUMENT A PAGE 2 CONTINUATION

Page two of Document A verifies that free merge tiers do not drop interior pages from multi-page source PDFs when combining two or more documents into a unified deliverable.

Sequence Token [Page 2 of 3]: REALTEST-PDFMERGE-DOC1-P2-2026

SECTION 4: APPENDED DOCUMENT B AUDIT SCHEDULE

Document B appends a third page with structured audit cells and a reference image stream to verify cross-document concatenation, font resource isolation, and page order preservation.

Sequence Token [Page 3 of 3]: REALTEST-PDFMERGE-DOC2-P3-2026

Appendix Period	Audited Amount	Appendix Checksum
DOC-B-Q3	$512,750.25	MERGE-OK-03
DOC-B-Q4	$768,125.75	MERGE-OK-04
