# REALTEST.ORG PDF MERGE & SPLIT BENCHMARK V1.0

## SECTION 1: MULTI-DOCUMENT MERGE & STREAM INTEGRITY AUDIT

True PDF merging must concatenate multiple multi-page documents in exact sequence without rasterizing selectable vector text, dropping interior pages, or injecting unsolicited promotional watermarks.

## SECTION 2: DOCUMENT A FINANCIAL SUMMARY TABLE

| Document Period | Verified Amount | Merge Checksum |
|---|---|---|
| DOC-A-Q1 | $128,450.00 | MERGE-OK-01 |
| DOC-A-Q2 | $256,900.50 | MERGE-OK-02 |

## SECTION 3: DOCUMENT A PAGE 2 CONTINUATION

Page two of Document A verifies that free merge tiers do not drop interior pages from multi-page source PDFs when combining two or more documents into a unified deliverable.
